MULTI-PURPOSE SEATING

Since introducing Bill to the product portfolio, it has fast become one of our best sellers. The ergonomically moulded polypropylene shell provides superior comfort without detracting from the minimal form of the design. The chairs versatility is compounded by the choice of ash, walnut, espresso, wenge, black or white wooden frame, ten exciting plastic shell colours or a fully upholstered option. Together these options offer a solution to numerous interiors and design requirements, in a number of environments.

Please refer to the price and specification guide for all available options.
